Britten Pears Arts is a pioneering cultural charity. We use music to enrich people's lives, to bring communities together and enhance daily life. We want the arts to effect powerful positive change in, and for, society. Every membership enables our vital work in music, arts and heritage to continue.

As a registered charity, ticket sales provide only 10% of our income, and we therefore rely heavily on the generosity of our members, to be able to deliver our mission.

Thanks to our generous supporters, in 2023 we were able to reach over:

- **25,000 participants through our community work and work with young people.**
- **85 local schools and many more nationally.**
- **500 young artists through our development programmes.**

To enable this vital work to continue, your support is more important than ever during these challenging times for the Arts.

Join us today and support our work in bringing the joy of music and the arts to thousands of people across the UK and beyond.
